

Look Pleasant

You must have coal this winter—there's no "if" about that. We save you money in the coal you buy, and there's no "if" about it either. We will prove it to you if you give us a chance. Coal is summer's heat for winter's warming, and our prices place it on familiar terms with your pocket.

PISO'S CURE
For Consumption

I have been taking Piso's Cure for Consumption since 1883, for Coughs and Colds. I had an attack of La Grippe in 1890, and have had others since. In the Winter of 1896-7, I had a spell of Bronchitis, lasting all winter, and leaving a troublesome cough, until I again tried Piso's Cure, which relieved me.—Mrs. M. B. SMALLEY, Colorado Springs, Colo., August 19, 1898.
